

EYP CIRCLE OF FRIENDS

What is the EYP Circle of Friends?

The EYP's mission is to inspire and empower a young generation of informed, open-minded, responsible, and active citizens that shape society and drive impact. In order to do that better and more, we need your support. With the EYP Circle of Friends, our aim is to establish a permanent circle of EYP supporters consisting of people that have influenced and/or supported the EYP from the very first International Session in 1987, to the current day. The EYP Circle of Friends will be a community of EYP Alumni actively supporting the EYP's mission and values.

How does it work?

All those that want to support the EYP are invited to join EYP's Circle of Friends. The only condition for joining the EYP's Circle of Friends is providing EYP with a yearly donation - starting from 80 € per year, without an upper limit. If you are willing to contribute to the long-term financial stability of EYP, please sign up via this form to become a member of the EYP Circle of Friends. After you fill out the application form, we will send you information on the next steps.

Why be part of it?

The network's activities and the International Office are entirely reliant on fundraising, resulting in a lot of time and energy spent securing the funds to run and support the network. Your financial contribution as a member of the EYP Circle of Friends will help EYP fulfil its mission to inspire and empower young people from across Europe to be open-minded, tolerant and active citizens by ensuring a stable support to the organisation. Your contribution will provide undesignated financial support to be used by the International Office of EYP to cover key supporting areas: activities that are critical to the continued sustainability of the organisation, but not covered by other funding sources and often forgotten.

Your contribution will have an impact on:

- **the long-term financial stability** of the EYP, by securing capacities for the International Office to support active volunteers and National Committees;
- **the diversity** of the EYP participants by providing travel grants and participation fees deduction to participants from low-socio-economic backgrounds;
- **a strong alumni network** with a significant impact on society.

As a member of EYP Circle of Friends you will be able to:

- stay in touch with the organisation and connect with EYP Alumni;
- attend EYP Alumni Reunions without paying the participation fee;
- receive an invitation to visit one of the International Sessions per year and witness the organisation's development.
