Mentor Profiles - 2026

EYP Mentorship Programme 2026

The EYP Mentorship Programme

In this booklet, you will find the mentors who are excited to take on a mentee from either the **#WithRefugees** pillar or the **Classic Mentorship** Pillar. The idea is that you can read through them and let us know in your application if any of their profiles would be particularly helpful for you.

It is not guaranteed that every mentee will be paired with a mentor that inspired them, but everyone will be matched according to their goals.

How to Apply?

1. **Pick a stream** that fits you - Classic or #WithRefugees.
2. **Fill out** the application form **by November 21**, 2025 (23:59 CET).
3. If selected, you'll receive **more information in Late November!**
